Re: Emily Penzo v. Consolidated Edison Company of New York, Inc.  
SDNY Dkt. No. 19-cv-7478 (MKV)(KHP)

Your Honor:

We represent Defendant in the above-referenced matter pending before your Honor, and submit this latter jointly with counsel for Plaintiff to request that the post-discovery conference scheduled before your Honor for November 20 be adjourned. This is the second request for an adjournment. On September 25, the Court agreed to the parties' joint request to adjourn the conference, which had originally been scheduled for October 13.

The parties have been actively taking depositions, including approximately a dozen depositions since September 1. On October 21 we spoke with Magistrate Judge Parker with regard to a settlement conference, which the parties both believe has a reasonable prospect of resolving the litigation. Unfortunately, Judge Parker's docket is very full, and the earliest settlement conference we could get is the afternoon of November 12. If we proceed with a post-discovery conference before Your Honor on November 20, per your rules we would have to present a report to you by September 13 – the day after the settlement conference – which would have to include proposed Rule 56.1 statements. The parties genuinely believe that preparation for a November 20 post-discovery conference with Your Honor would adversely affect the prospects of settlement at the November 12 settlement conference with Judge Parker, and, therefore, we respectfully request that the post-discovery conference be adjourned for one month.

We appreciate the Court's consideration in this regard.

Sincerely,

/s/ Richard A. Levin

The parties' request to adjourn the post-discovery conference in GRANTED. The post-discovery conference scheduled for November 20, 2020, at 11:00 AM is HEREBY ADJOURNED to December 14, 2020, at 11:00 AM.

SO ORDERED.
